

PHARMA DIVISION

SIEVING : • Vibratory Sifter • Turbo Sifter

DRYING : • Fluid Bed Dryer(FBD) • Tray Dryer

MILLING : • Multimill • Conical Mill • Oscillating Granulator (OG)

MIXING : • Rapid Mixer Granulator (RMG) • Planetary Mixer (PLM)

SOLUTION PREPARATION VESSEL : • Solution/binder Vessel • Planetary Mixer

BLENDING : • Octagonal Blender • Double Cone Blender • V-type Blender
• Bin Blender • Ribbon Blender

STORAGE BINS : • Conical Bin • Square Bin

MATERIAL HANDLING EQUIPMENTS :

• Lifter For Handling Storage Bin • Lifter & Tippler For Handling Bins And Fbd Bowl
• Pneumatic Conveying Systems

ANKITA TECHNOLOGIES INDIA PVT. LTD.

(Plant & Equipment Engineers)

ISO: 9001:2015 certified company

FACTORY :

Unit-I : Plot No. W-338, MIDC, Rabale, Navi Mumbai, Maharashtra - 400701.

Unit-II : Plot No. W-317, MIDC, Rabale, Navi Mumbai, Maharashtra - 400701.

Contact : +91 9820327263 / +91 6355241998

ANKITA TECHNOLOGIES
(Plant & Equipment Engineers)
ISO: 9001:2015 certified company

DESIGN, MANUFACTURING & SUPPLIERS OF PROCESS EQUIPMENTS

MOC : TITANIUM, TANTALUM, ZIRCONIUM, HASTELLOY, NICKEL, MONEL, INCONEL, ALLOY 20, DUPLEX STEEL, SS 904L, SS 317L, SS 316L, SS 304L etc.

30 Years of equipment designing and manufacturing

INDUSTRIES CATERED

- | | | |
|--------------------|-------------------------|--------------------|
| ● CHEMICALS | ● PETROCHEMICALS | ● FERTILIZER |
| ● PAINT & PIGMENTS | ● PULP & PAPER | ● OIL & GAS |
| ● FOODS | ● WASTE WATER TREATMENT | ● PHARMACEUTICAL |
| ● API & BULK DRUGS | ● DESALINATION | ● ELECTRO-CHEMICAL |

**WE ARE NOT JUST MANUFACTURERS,
WE ALSO PROVIDE CUSTOMIZED SOLUTIONS WITH**
Reliability, Quality & Guarantee

Ankita Technologies possess, fully furnished in-house facility to have 100% quality control & all its equipments are fabricated, machined & assembled in our sophisticated workshop.

Ankita Technologies (I) Pvt Ltd, is a reputable Designers, Manufacturers & suppliers of vast range of chemical Process Equipment's and pharmaceutical machines.

Since last 30 years, we have achieved an impressive & consistent growth by specializing & diversifying into vast range of customized & robust designed process equipment's.

We are capable of developing tailor made products based on the data furnished by the clients, in material construction of TITANIUM, TANTALUM, ZIRCONIUM, HASTELLOY, NICKEL, MONEL, INCONEL, ALLOY 20, DUPLEX STEEL, SS 904L, SS 317L, SS 316L, SS 304L etc.

We also provide services for Process upgradation, and maintenance of existing plant, equipments & machinery.

We also manufacture equipments along with fluoropolymers coating & lining like HALAR / PTFE / PVDF / ETFE / FEP / PFA / TEFZEL / RUBBER LINE / FRV.

INFRASTRUCTURE :

Having well equipped two manufacturing units of 20,000 sq.ft area located in Rabale MIDC, Navi Mumbai.

DESIGNING :

We have expertise & well experience chemical & process engineers from renowned university like ICT, NIT for process analysing. We also have well expertise mechanical engineers team for design and micro detailing for standardised & customized equipment's with DFM/DFA approach & referring international code like ASME, DIN, IS, BIS etc.

MANUFACTURING :

The innovative technical skill expertise team with skill technician in production, QA/QC function to deliver the quality product and services to satisfy our valuable customer.

COMMISSIONING AND AFTER SALES & SERVICE :

We have dedicated engineering team for site Erection & commissioning support.

DRYERS :

- Agitated Nutsche Filter Dryer
- Vibratory Fluidized Bed Dryer
- Rotary Vacuum Paddle Dryer
- Rotary Kiln/calciner
- Fluidized Bed Dryer
- Spin Flash Dryer
- Drum Flaker
- Drum Dryer
- Rotary Dryer
- Hot Air Generator
- Tray Dryer

FILTERS :

- Rotary Vacuum Drum Filter
- Agitated Nutsche Filter
- Horizontal / Vertical Leaf Filter
- Bag Filter
- Activated Carbon & Sand Filter
- Candle & Membrane Filter
- Sparkler Filter

EVAPORATORS :

- Falling Film Evaporator
- Rising Film Evaporator
- Multiple Effect Evaporator
- Agitated Thin Film Evaporator / Dryer

SCRUBBERS :

- Wet Scrubber
- Venturi Scrubber
- Packed Bed Scrubber
- Dry Scrubber

REACTORS :

- Gas Induced Reactor
- Continuous Stirred Tank Reactor
- Batch Reactor
- Auto Clave
- Clarifiers

PROCESS EQUIPMENT :

- Distillation Columns
- Heat Exchanger
- Agitator
- Ribbon Blender & Mixer
- Cyclone Separator

CONVEYORS :

- Pneumatic Conveying System
- Screw Conveying System

VESSELS :

- Storage Tanks
- Pressure Vessels
- ETP Equipments
